

AH773-W

Specification Sheet

USE

Perfect for washrooms with limited space but require high-capacity usage.

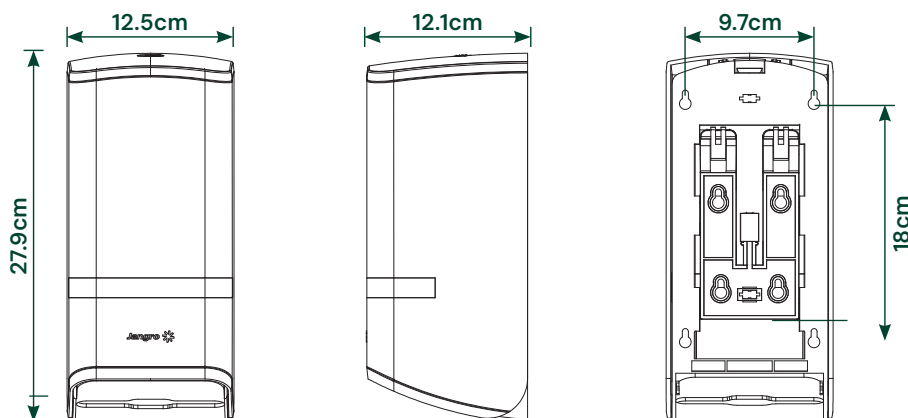

DESCRIPTION

Robust bulk pack toilet tissue dispenser combines high capacity with a modern matt finish. Controlled dispensing delivers one sheet at a time, helping to reduce waste and keep usage economical.

FEATURES AND BENEFITS

- Suitable for most 1 ply and 2ply bulk pack toilet tissues
- Robust unit with a modern matt finish
- Designed with high capacity in mind to perform reliably in heavy footfall environments
- Controlled dispensing – economically dispenses one sheet at a time
- Flush-mounted fitting to walls improves hygiene standards, eliminating gaps and areas where dust and moisture can accumulate
- Visual level indicator to identify when refill required via wrap around window
- Built-in spirit level ensures level mounting
- Easy fit bracket with precision levelling measurement (optional extra)
- Universal key fits the entire dispenser range
- Optional lockable or unlockable mechanism

TECHNICAL DIMENSIONS

COMPATIBLE REFILLS

- Jangro Professional Bulk Pack **AB102**
- Jangro Contract Bulk Pack **AB101**
