

AH772-W

Specification Sheet

USE

Ideal for high-traffic washrooms and demanding commercial environments where hygiene and capacity are essential.

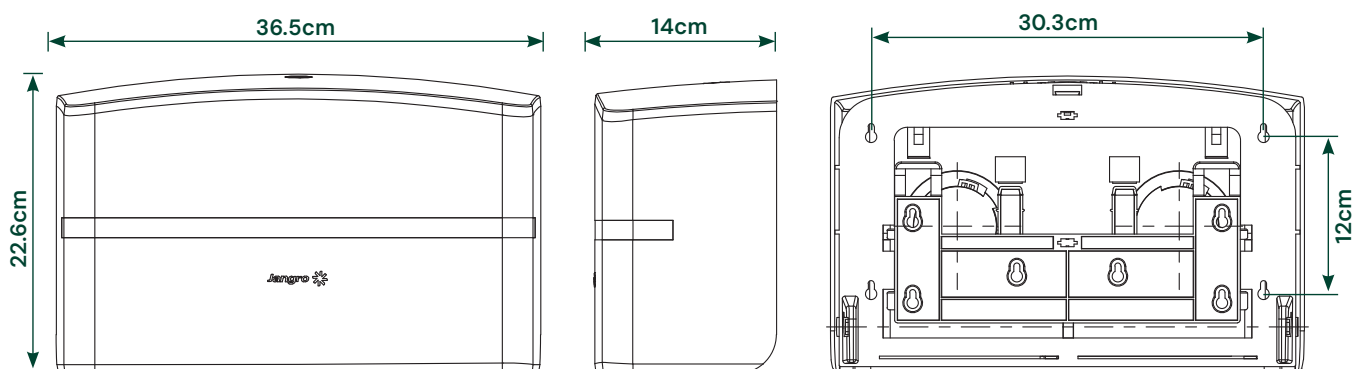

DESCRIPTION

A compact toilet tissue dispenser designed to fit 2 x 161.5m rolls. Delivers high-capacity toilet tissue, to help reduce waste and improve cost efficiency.

FEATURES AND BENEFITS

- Designed with high capacity in mind to perform reliably in heavy footfall environments
- Smaller dimensions than other high capacity dispensers due to Micro Core
- Reduce the amount of refilling time with twin roll high-capacity feature
- Robust unit with a modern matt finish
- Flush-mounted fitting to walls improves hygiene standards, eliminating gaps and areas where dust and moisture can accumulate
- Visual level indicator to identify when refill required via wrap around window
- Built-in spirit level ensures level mounting
- Easy fit bracket with precision levelling measurement (optional extra)
- Universal key fits the entire dispenser range
- Optional lockable or unlockable mechanism

TECHNICAL DIMENSIONS
