

PPR170

Numatic

Powerful, Professional Cleaning

WORKS HARDER

LASTS LONGER

BUILT SMARTER

Why Buy?

A professional, tough and versatile workhorse, the PPR170 ProVac plugged rewind is packed full of innovative features.

Numatic

Works Harder

Pro features include a high-efficiency TriTex filter, multi-surface ProFlo floor tool, long 12.5 metre hi-vis cable, and high-quality Stainless Steel tube set.

Lasts Longer

Built for the long-haul with a 2-Year Commercial Warranty and a motor designed and tested beyond industry standard.

Built Smarter

Made from a minimum of 25% recycled plastic, including all accessories.

Compact & Convenient

Equipped with a long cleaning reach, on-board tool storage and stores neatly away.

Handy Cable Replacement

A unique system for quick and easy changing of cable, if damaged during use.

A Tool for Every Job

Tackle hard-to-reach areas with the precision cleaning kit.

25%
RECYCLED
PLASTIC CONTENT

25% represents the minimum use of recycled plastic in PPR170, including kits and accessories.

Enhanced Sustainability

Made using our ReFlo recycled plastic reducing the use of virgin plastic wherever possible, whilst maintaining the same quality and durability in our products.

ReFlo Technology uses high-quality recycled, post-industrial and post-consumer plastics across the Numatic range.

Key Features

Numatic

The perfect all-rounder with super long-reach, rewind 12.5m cable, bumper for wall and door protection and a unique plugged cable rewind system allows simple cable replacement.

Compact & Convenient
On-board tool storage, and stores neatly away.

Handy Cable Replacement
NuCable system for quick and easy changing cable, if damaged during use.

Powerful Motor

Tested for a minimum of 1600 hours' continuous life, delivering powerful, efficient and long-life cleaning performance.

TriTex Filter

Traps fine dust within its high-efficiency, triple-layer membrane.

HepaFlo Filter Bag

3-layers of high-efficiency filter material and unique self-seal tab trap and retain fine dust during vacuuming and emptying.

Built to Last

Tested beyond industry standards and made from the highest quality recycled plastic, delivering performance you can trust from the UK's most reliable vacuum brand.
